

# GOURMET NIGHT MARKET @ the Mount

## 2018 / 2019 summer season

### Rules and Regulations

All decisions are made to ensure a smooth *and safe and successful* running of our (yours and ours) event - we are promoting communication and cooperation and hope that as well as making lots of money you also have fun. We want to be the Market you most look forward to attending ...

#### 1/ Payments

Your payment secures your booking

Due dates are listed on the invoice

Receipts will be send once money shows up in GNM account

#### 2/ Refund policy

By choosing your dates on the application form you are committing to these dates - no refund will be given should YOU decide not to attend

If the GNM gets cancelled a 90% discount will be forwarded into your account next working day.

#### 3/ Site rules

Set up is between 3pm and 4.30pm

We will endeavor to get power to you as early as possible (this is dependent on the arrival times of the vendors)

### Safety

- 1/ If you need power to operate it is your responsibility to ensure that your cables and connections are safe and of commercial quality (if you short out the system EVERYone is affected)
- 2/ If you are operation with an open flame, part of your site equipment has to be a fire-extinguisher suited for the job and everyone on your site must know how to use it.
- 3/ If you are operating with a gas bottle it is your responsibility to ensure the gas bottle certified and connections are safe and undamaged. (a damaged gas bottle exploded during a busy Market in Toronto killing 7, injuring dozens)
